Licensing

Application fees are payable at the time of making an application, and are not refundable if the application is subsequently refused
Grant fees do not have to be paid until the licence is ready to be issued - if paid earlier, this part of the fee will be refunded if the application is refused. Where both types of fee are payable in connection with a licence application type, it is up to the applicant as to whether they wish to make one payment for the total fees at the time of application, or to pay both fees separately as their application progresses.
