

Dear Householder,

Thank you for subscribing to the garden waste collection service.

This sticker shows that you have paid for one green garden bin to be emptied during the period stated on the sticker. No additional bags of garden waste will be taken and the lid must be closed.

This sticker should be attached to your green bin as soon as possible on the back of your bin (handle side) as shown in the picture below. The surface of the bin must be clean and dry before applying the sticker.

If the sticker is not visible to our collection crew on your collection day your bin will not be emptied and we will not return.

If you subscribe to more than one green bin you will receive a sticker for each bin. These extra stickers may be sent separately.

The time of collection may change, so please place your bin out for collection before 07:00 hrs. Green bin collection days may be different from your general waste and recycling days.

This service is provided subject to our terms & conditions and these are available to read at: www.torridge.gov.uk/gardenwaste
