# **Local Notice to Mariners** **#14 2023 issued October 27th 2023**

## **Floating Debris**

Mariners are advised to proceed with caution at the approaches to Padstow and within the Camel estuary due to large pieces of debris floating on the surface.

Wooden shuttering has detached from building works in Hawkers Cove with the majority of the debris having been collected however, we have received reports of solitary pieces of timber which have the ability to cause a hazard to navigation.
